

LOGSTA

General Manager - UK

Since 2017 we take over the logistics and fulfilment of more than 400 startups, SMEs and companies in Germany, Austria and the US. We make sure their customers get their deliveries fast. Flexibility and proactivity are key, so that our customers can focus on their business. From our 4 distribution centers we ship to every corner of the world. And we're about to expand to even more areas.

ROLE DESCRIPTION

It's quite simple: launch the UK for us and make it our most successful market ever.

REQUIRED SKILLS

- Entrepreneurial mind, self starter, problem solver
- Very high motivation to work in a young, fast-paced environment, with a high degree of autonomy and responsibility
- Able to deliver excellent results under time constraints and shifting targets
- 4-6 years of working experience in sales, logistics or tech companies
- Experience working in early stage companies is a huge plus
- Not scared of rolling up your sleeves and getting your hands dirty
- Strong people and analytical skills, attentive to detail
- Team player with excellent communication skills
- Fluent in English, good knowledge of German is a plus
- Degree in Business Administration from a top university

WHAT WE OFFER

Enough hard work for a full time job for sure, but also a ton of fun with us while doing it. The UK is not just a key market for us, but will also serve as a role model for future country expansions. We'll give you expert support and entrepreneurial freedom in the country launch, setup of operations and signing up of first customers. The rest really depends on how fast you can make your market big and successful. We work in a fast paced, badass international team based in Leobersdorf, Vienna (Austria). And oh, did we mention the competitive compensation?
